KOLEJ IEWM
Empowering Sustainable Human Capital

GUARANTEED JOB PLACEMENT

DIPLOMA IN
MANAGEMENT INFORMATION SYSTEM
Diploma in
MANAGEMENT INFORMATION SYSTEM

PROGRAMME AIMS
Aimed to fulfill the Human Resources gap in Information Management and Information Technology Development sectors. It is a new set of career prospects for school leavers to take up this new programme. This Diploma programme develops the student's knowledge, skills and understanding of the planning and practical areas of Management in Information System, as well as awareness of the asset operations issues found in modern organizations. It also addresses the internal and external perspectives which influence managing information efficiency sustainability and examines the wider context of business strategy for competitive advantage in the current social, environment and economic perspectives.

ENTRY REQUIREMENTS
Passed SPM or its equivalent with at least credit in three (3) subject including Mathematics OR Other equivalent qualification recognized by the government of Malaysia
